Bad Weather Procedure - Advice

The home team representative should ascertain from the opposition the latest time of notification of cancellation, i.e. what time the opposition intends to depart for the pitch venue. If it is clearly evident before that time that the pitch will be unfit the visiting side and umpires should be informed immediately.

It is the responsibility of the home team to inspect the pitch prior to the above mentioned departure time and take a realistic view of the situation. Consultation with the opposition is advised so as to avoid unnecessary travelling by both players and umpires.

The AWAY team also has a responsibility to contact the HOME team prior to departure to confirm the fitness of the pitch.

If the Away team considers the conditions for travelling to or from a match are hazardous, as supported by the Environment Agency, the Met Office or Police, then they may refuse to travel. The Home team and the appropriate Division/Regional Secretary MUST be informed immediately.

NB In the case of genuine adverse travel conditions a game may be postponed or delayed. Full details must then be telephoned to the appropriate Secretary on the day of the match and confirmed in writing by the Wednesday of the following week. If required, adjudication will then be made by the League Committee on the merit of each case.

- b) Postponement of any match in any League MUST be notified to the appropriate Division/Regional Secretary by no later than 7.00 pm on the date of the match. All late notifications shall incur a fine of £10.
- c) Matches postponed prior to Christmas shall be re-arranged and played by 1st March. Matches postponed after Christmas shall be re-arranged and played in accordance with 7 f).
- d) Postponed matches must be re-arranged in accordance with Regulation 7 a) iv) and the appropriate Divisional/Regional Secretary notified in writing by the HOME team within 14 days of the original date.

If a date cannot be mutually agreed within 14 days, the Divisional/Regional Secretary will check the fixture lists of the respective teams and set a date accordingly. Premier Division teams must also notify the WHA Umpiring Sub-Committee of the date of any re-arranged match.

- e) The League cannot legislate for any financial loss or inconvenience in respect of postponed games. However the League Committee, after investigation, may take appropriate action under Regulation 12 k) if it is found either team failed to follow the above advice.
